

Welcome

All are welcome to attend.  
Please be our guest and  
become a member.

Programs

Every program is designed  
to explore new topics and  
information by educating  
and encouraging the  
gardeners in all of us.

Past speakers have focused on  
pollinators, native plants, and how to  
design eye-stopping container gardens.  
Workshops have included building a  
worm composting bin, making gorgeous  
wreaths, and creating exquisite terrariums.  
In addition, we have several outings  
throughout the year and support  
two major plant sale fundraisers.

Meeting place

We meet at the Unitarian  
Universalist Church hall at  
239 Woburn Street, Reading.

Meetings are on the second  
Thursday of the month from  
October through June.

**Membership Dues are \$45**
